

# MHOA Guide to Local Public Health in Massachusetts

# Thank you

Sam Wong,  
MHOA Consultant

Ruth Mori and Leila  
Mercer, MAPHN

Mike Hugo, MAHB

National Association  
of County and City  
Health Officials  
(NACCHO)

Centers for Disease  
Control (CDC)

MHOA Reviewers

# Purpose of Guide

- ▶ To provide important resources that are critical for the success of local public health officials

Not an exhaustive list of resources, a place for you to begin, so that you can research what is needed.

A “live” guide that will be updated regularly and has current information.

# How to Access and Use the Guide

- ▶ **To access this guide, please go to: <https://lphguide.mhoa.com/>**
- ▶ **Sign in with your name and email address.**
- ▶ **Guide will be updated regularly.**
- ▶ **Take a self-paced approach to learn the information provided in this guide.**
- ▶ **Each chapter includes resources that are starting points for local public health officials in developing their own programs.**
- ▶ **The guide includes a glossary of common acronyms**
